About JCGS

The Johnson County Genealogical Society was founded in 1972 to encourage the study of family history and to promote the preservation and publication of genealogical records in Johnson County.

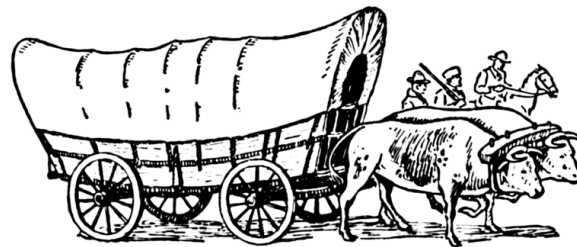

Membership in the Johnson County Genealogical Society is open to all who are interested in genealogy and share the society's objectives.

General meetings of the society are held the fourth Saturday of each month (except December and the month of the seminar) at 10:00 a.m. at the **Johnson County Central Resource Library, 9875 W. 87th St., Overland Park, KS 66212.** (87th and Farley Sts.) Interesting topics or events presented by well qualified speakers are scheduled for every monthly meeting. The meetings are open to all and visitors are welcome.

An all day seminar with a nationally known speaker is offered annually to which members receive discounted admission. The non-profit status of the society allows members to make tax deductible donations of books, magazines, and manuscripts. Cash donations over the amount of yearly dues are also tax deductible.

Dues are payable January 1st. New members joining after July 1st pay one-half the annual rate for the year in which they join. A significant portion of dues goes to acquisition and maintenance of genealogical source material which is maintained at the Johnson County Central Resource Library.

Quarterly: Each individual or family (two or more people at the same address) membership will receive one copy of each issue of the *Johnson County, Kansas Genealogist* which is published quarterly. Half-year memberships will receive only the September and December issues. In order to receive all quarterlies by mail, dues must be paid by March 1st for the full year or September 1st for the half year. Back issues of the quarterly will be available for pick-up at regular meetings or by special arrangement. Articles, queries, or other contributions from members are encouraged.

Dues are paid on a calendar year basis.
